Chairperson

Dear guardians, students and well wishers,

It is a great pleasure for me to put few words about oxford as a reputed academic institution. The institution was established with the motto of imparting quality education for all round development of the students. We had a big commitment at the establishment period and our unremitting excution in the following years, we have been progressing by leaps and bounds. Our prospective guardians and students can visit the college themselves and see the reality. We have created academic ambience for which the teachers' co-operation is always praiseworthy. We also believe in discipline which helps the students flourish in the days to come. The success of the college lies in the management of all levels and programs of the organization. I am convinced and assure you that Oxford College is the best academic institution in the region.

Ajit Khanal

Campus Chief

Dear students, parents & well wishers,

21st century demands practical and life enhancing education. Education is a means that brings out the hidden talent of the learners. An institution that can externalize the innate capacity and provide quality education must be the choice of students and the parents. Oxford is always committed to do this. After passing +2 level, you may be in a dilemma about choosing the best college for your successful future. Oxford leads you to ensure your ambition. I welcome all students who aspire for success to become part of an institution that emphasizes practicality and originality in actions.

Manoj Marasini

Introduction

Oxford College, recognized as a prestigious institution in Nepal, was established in 2063 BS by distinguished professionals in the education sector. Renowned for its contribution to producing highly skilled professionals in management and education, its graduates hold prominent positions as management practitioners, educators, and entrepreneurs, both domestically and internationally. The college offers four undergraduate programs affiliated with Tribhuvan University: BBS, B.Ed., BHM, and BIM. The college has been able to achieve excellent results since its establishment. As an instance, one of our outstanding students Miss Bima Kumari Sapkota topped the Board Examination of B. Ed. conducted by Tribhuvan University and received 'Nepal Chhatra Vidhyapadak' from the hand of the honourable President of Nepal in 2067 BS. To continue its development trajectory, the college aims to attain higher levels of excellence, aspiring to become a leading academic institution in the country. Oxford College is dedicated to cultivating capable individuals who can effectively navigate the challenges of 21st-century society, offering undergraduate programs in management and education, with plans for expanding into master's level education.

Salient Features

- Disciplined, academic & filial environment
- Rich library, Sumptuous buildings, Cafeteria & transportation
- Well equipped computer lab & practical rooms
- Academic leader in this region
- Special guidance to weak students
- Special consideration to the poor and intelligent students
- Presentation, project work, innovative student centred teaching methodology
- Skill, capacity, managerial & leadership development training and workshop

"Welcome to Oxford College! We are the top graduates of our class, and we want to share with you what makes this place so special. The college's teaching and learning activities incorporate student-centered techniques, presentations, and project work, all of which help foster thoughtful discussions and encourage the exploration of new ideas. Our lecturers are not just teachers; they are mentors who inspire us to push our boundaries and achieve our goals. During our time here, we have experienced the best of what Oxford College has to offer. We have collaborated on research projects, participated in clubs and activities, and made lifelong friendships. If you are joining us at Oxford College, you are in for an incredible journey.

Welcome to Oxford College - your future starts here!"
